SUBJECT: MEDICAL PROVIDER NETWORK MODIFICATION

This memorandum provides important information regarding modifications to the "Guide to the State Fund Medical Provider Network (MPN) for State of California Employees." The Guide was recently revised by the State Compensation Insurance Fund.

As a result of the revision, the Department of Personnel Administration is directing that all employees receive the newly revised version. The revision date is April 2008. Please destroy all hard copies of the old guide and review the new guide immediately. The revised brochure includes a description of the services available to employees after sustaining an occupational injury or illness and provides information on how to access or obtain the MPN listings. The revised English and Spanish brochure can be downloaded from the State Fund, State Contract Services website at <http://www.scif.com/pdf/e13174.pdf>.

If you have any questions on the MPN or the pre designation form, please contact Julie Neale, of my staff at (916) 322-5846 or via e-mail at jneale@arb.ca.gov.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
